

Vendor Application

St. James Parish Government is proud to host our Market Days the second Saturday of every month. Our Market Day is located in an outdoor space at the heart of the history of our parish, the Tourist Welcome Center Pavilion. As a parish filled with chefs, farmers, gardeners, crafters, and small businesses, we want to provide an easy way to access locally grown, hand-made, authentically created crafts, food, and produce to our residents and residents around us.

In our vendor space, there will **ONLY** be arts and crafts, food, and produce sold. At the sole discretion of St. James Parish Government, sales, displays, or activities that are deemed inappropriate and offensive will be asked to be removed and ceased. Vendors will be asked to leave the market if actions or sales continue. To become a vendor at our Parish Market Day, vendors must apply monthly for selection, regardless of past participation. To be considered an arts and crafts vendor, vendors must adhere to the following:

- Local vendors will receive first consideration for our Market Day, but all are encouraged to apply.
- Merchandise made available for sale will be limited to food items that have been cooked/baked by the vendor, home grown produce, and/or arts and crafts items that have been sculpted, painted, photographed, designed, constructed or otherwise fashioned by the artist/vendor.
- Submit a complete list of proposed items to sell. Only items on the approved list will be allowed for sale at our market.
- Please note that arts and crafts vendors are expected to be on-site and ready to sell by the opening of the event and must close operations at the close of the event in accordance with market hours.
- No political groups or special groups will be allowed to participate.
