

## ARTICLE I. IN GENERAL

### **Sec. 22-1. Building and/or construction contractors and subcontractors required to register with parish government; renewal of registration; registration and renewal fees; violations and penalties.**

- (a) Any person desiring to engage in business as a building and/or construction contractor or subcontractor within the parish shall register himself and his business with the parish government before commencing in any such work. Contractors shall renew their licenses every year in which they intend to do work in this parish.
- (b) For the purpose of this section, the term “building and/or construction contractor” or subcontractor means a general building contractor, an electrical contractor, a plumbing contractor, a painting contractor, a pipeline contractor, a gas contractor, a road or bridge contractor, an earth moving contractor, or any person engaged in any similar type of business.
- (c) This section shall be administered by the parish president. Prior to accepting the registration of any person, the parish president shall require and verify that the applicant has applied for and obtained all required state and local occupational licenses, is properly registered with all state and local sales tax collecting authorities, and is aware of all state and local building and construction regulations. He shall further require that the applicant has met and is aware of all other state and local laws, regulations and requirements required of contractors and subcontractors to do business in this parish and in this state as provided for in parish ordinances and/or state laws.
- (d) Prior to accepting the registration provided for in this section, the parish president shall also collect a registration fee of \$25.00 from the applicant. The registration is renewal on July 1<sup>st</sup> of each year. The registration fee is also to be collected when an applicant is seeking a renewal registration. If an applicant is the holder of a currently valid occupational license issued by the parish, or by the Town of Gramercy or the Town of Lutcher, and is domiciled contractor in the parish, \$20.00 of the registration fee shall be waived.
- (e) It shall be unlawful for any person to engage in business as a building and/or construction contractor or subcontractor in the parish without having completed the registration procedure required in this section; and any violation of this requirement shall subject the offender to punishment as provided in section 1-14.

(Code 1990, § 13:151; Ord. No., 01-13, § § 1, 2, 12-19-01)

**Editor’s note** – It should be noted that Ord. No. 01-13, adopted Dec. 19, 2001, amended subsections (a) and (d) of section 22-1 and said amendments shall become effective July 1, 2002.
